

TRILLIUM STEEL DOORS LIMITED

FIRE LABELLED TRANSOM FRAME WITH PANEL

We are able to fabricate labelled pairs of doors with panel in a transom frame. The assembly bears an 1 1/2 hour Warnock Hersey label. Door and panel assemblies are available for single and double openings in frame rebate sizes up to 8' 0" wide x 11' 0" x 1 3/4". Panels are available in sizes up to 8' 0" wide x 3' 0" high. Panels can be flat bottomed with astragal or rabbeted without astragal. Panels can be fixed or removable. Doors are available in widths up to 4' 0" x 8' 0" x 1 3/4". Doors and panels are available in 20, 18 and 16 gauge with a variety of cores and hardware options. Frames are available in 16 and 14 gauge.
